Finds Commonwealth About Done In Powers Case.

Cells Still Tightening Around The Prisoner—Sick Juror Is Better.

Georgetown, Ky., July 26.—McKenzie Todd, who was W. S. Taylor's private secretary, was put on the stand in the case of Caleb Powers at Georgetown yesterday morning. He was subjected to a lengthy examination, and his testimony showed that Youtsey and others were ready for the slaughter of the Democratic members of the Legislature the day the Van Meter-Berry contest was decided. Youtsey was in Powers' office with the window raised and a rifle across his knees. He told of the scenes in the Executive building at the time Goebl was shot. At the afternoon session numerous other witnesses were heard, but the evidence was of a cumulative character, rather than sensational. The session was enlivened by a spat between Campbell and Browne.

Juror Kempf, who was sick, appeared in court much better. The defense will be ready to begin today. Caleb Powers' mode of defense is believed to have been outlined by the testimony of Todd, who made a strong case against Henry Youtsey and absolved Powers from any participation in the alleged plot. The drift of the alleged movement has caused his counsel, Col. Crawford, to make a statement that he believes efforts are being made to saddle the crime upon Youtsey, but he does not believe Powers is a party to it. He also says there is no arrangement by which Youtsey is to testify against Powers. The evidence yesterday, aside from Todd's, went to show the plan of preventing a search for the assassin, and the escape of Powers and Davis, and also brought out more threatening statements by Powers.

DORRELL STORE DESTROYED.

Former Christian Countian Meets With Loss by Fire.

Mr. E. D. Moseley, formerly of this county, who has been in the mercantile business at Dorrell, Todd county, for several years, had the misfortune to lose his store, together with contents, by fire, last Saturday night. His loss is quite heavy and the stock of goods was only partially insured. Mr. Moseley conducted the post office in his store and this was also destroyed, along with stamps, mail matter, etc. It is not known how the fire originated. Mr. Moseley will probably rebuild at an early date, as he has built up an extensive business at that point.

REFUSED TO APPEAR.

Latest Developments In The Piner—Ware Affair.

The Conference Committee to investigate the charges against Dr. W. K. Piner, growing out of the Ware affair, met here again Wednesday. The committee consisted of Revs. J. A. Lewis, D. S. Booles and J. W. Love. Mr. J. D. Ware refused to appear as a witness in advance of the civil trial and as no other witness appeared against Dr. Piner the committee, it is said, will report in favor of dismissing the charges against the minister. Dr. Piner is now performing his regular pastoral duties and preaching twice every Sunday.

Mr. Ware has been seriously ill for a week or more, but is now convalescent.

Ragsdale-Claxton.

Mr. Ed Ragsdale, of Clarksville, and Miss Ida Claxton, of near Casey, were married at the home of Mr. L. W. Olive, in this city, Wednesday morning.

WHEAT KINGS

Some Big Crops in Christian County This Year.

Some of Those Who Raised More Than 5000 Bushels This Season.

Christian county as a wheat growing county ranks perhaps at the head of the list of Kentucky counties. Certain it is that when it comes to big crops we have some that are hard to beat. Below will be found a list of some of the planters who raised this year more than 5,000 bushels. The list is by no means complete, as it does not include Thos. H. Elliott & Son, Mrs. S. A. Buckner's estate C. T. Barker's estate, J. F. Garrott and others whose figures have not been obtained.

At the head of the list is placed R. F. Rives & Sons, a part of their crop being raised on a portion of the lands of the Summers estate. Read this list:

BUSHELS.	
R. F. Rives & Sons	26,000
Leavell Bros.	14,000
Mrs. M. A. Mason	12,000
Jas. A. Radford	12,000
R. W. Stowe	11,000
Draper Bros.	10,000
J. D. Clardy & Sons	10,000
J. W. Gaines estate (part in Trigg)	10,000
Jno. C. Willis	9,000
J. R. Caudle & Son	9,000
E. D. Jones	8,000
G. H. Stowe	7,000
J. J. Garrott	6,000
E. A. Stowe	5,000
P. B. Pendleton	5,000

After getting below 5,000 bushels the list is a long one, and there are doubtless a number of others who raised more than that much.

The local price is about 70 cents, though many of the farmers are holding their crops expecting to realize a dollar. Most of the big planters have their own granaries and the elevators in this city also do a big business. If any other county in Kentucky can produce 15 planters raising an average of more than 10,000 bushels we invite a show-down.

WALL COLLAPSED.

New Pembroke School Building Gives Way.

A section of the wall of the New Public school building at Pembroke gave way yesterday morning and there was a general collapse. The wall was up to the second story and the heavy rains had not only softened the clay under the foundation but kept the walls from drying. The damage is confined to one side and the loss will be about \$500. This will fall on the contractors, Forbes & Bro., of this city. It is feared that a serious delay will also be caused in finishing the building, which is wanted in time for the fall session.

ATTACK WAS FATAL.

Kirkmansville Lady a Victim of Spotted Fever.

A daughter of Mr. George Atkinson, a well known citizen of Kirkmansville, died at the home of her parents Wednesday night of spinal meningitis. She was taken ill just a few days before, and despite the efforts of several physicians the attack proved fatal.

She was a very popular young lady and leaves a large circle of friends and relatives to mourn their loss.

Sues for \$25,000.

The administrator of J. N. Grant, deceased, has filed suit against the L. & N. railroad company for \$25,000. Grant was killed by the train at Crofton Feb. 7.

Starved Hair

Slow growth of hair comes from lack of hair food. The hair has no life. It is starved. It keeps coming out, gets thinner and thinner, bald spots appear, then actual baldness. The only good hair food you can buy is—

Ayer's Hair Vigor

It feeds the roots, stops starvation, and the hair grows thick and long. It cures dandruff also. Keep a bottle of it on your dressing table. It's a splendid dressing. It always restores color to faded or gray hair. Mind, we say "always."

\$1.00 a bottle. All druggists.

"I have found your Hair Vigor to be the best remedy I have ever tried for the hair. My hair was falling out very bad, and I would try a bottle of it. I had used only one bottle, and my hair seemed falling out, and it is now real thick and long."
